NOTICE OF ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD DECEMBER 12, 1997

TO OUR SHAREHOLDERS:

The 1997 Annual Meeting of Shareholders of Chesapeake Energy Corporation, an Oklahoma corporation (the "Company"), will be held at the St. Regis Hotel, Two East 55th Street, Versailles Suite, New York, New York, on Friday, December 12, 1997, at 10:00 a.m., local time, for the following purposes:

1. To elect two directors for terms expiring in 2000;
2. To consider and act upon a proposed amendment to the Company's Certificate of Incorporation to increase the number of authorized shares of the Company's Common Stock; and
3. To transact such other business as may properly come before the meeting or any adjournment thereof.

Shareholders of record at the close of business on October 24, 1997 are entitled to notice of and to vote at the meeting. A complete list of the shareholders entitled to vote at the meeting will be available for examination by any shareholder at the Company's executive offices and at The Depository Trust Company, Transfer Agent Drop, 55 Water Street, First Floor, Jeanette Park Entrance, New York, New York, during ordinary business hours, for a period of at least ten days prior to the meeting.

The accompanying Proxy Statement contains information regarding the matters to be considered at the meeting. For reasons outlined therein, the Board of Directors recommends a vote "FOR" the matters being voted upon.

YOUR PROXY IS IMPORTANT TO ASSURE A QUORUM AT THE MEETING. WHETHER OR NOT YOU EXPECT TO ATTEND THE MEETING, PLEASE BE SURE THAT THE ENCLOSED PROXY IS PROPERLY COMPLETED, DATED, SIGNED AND RETURNED WITHOUT DELAY IN THE ENCLOSED ENVELOPE. IT REQUIRES NO POSTAGE IF MAILED IN THE UNITED STATES.

BY ORDER OF THE BOARD OF DIRECTORS,

Janice A. Dobbs
Corporate Secretary

Oklahoma City, Oklahoma

November 12, 1997

CHESAPEAKE ENERGY CORPORATION

PROXY STATEMENT
-----ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD ON DECEMBER 12, 1997

GENERAL INFORMATION

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Chesapeake Energy Corporation, an Oklahoma corporation (the "Company"), for use at the Annual Meeting of Shareholders of the Company (the "Meeting") to be held on the date, at the time and place and for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders, and any adjournment of the Meeting.

This Proxy Statement and accompanying form of proxy, along with the Company's Annual Report for its fiscal year ended June 30, 1997, are first being mailed to shareholders on November 12, 1997. Shareholders are referred to the Annual Report for financial information concerning the activities of the Company.

The Board of Directors has established October 24, 1997 as the record date (the "Record Date") to determine shareholders entitled to notice of and to vote at the Meeting. At the close of business on the Record Date, 70,386,127 shares of \$.01 par value common stock of the Company ("Common Stock") were outstanding. Each share is entitled to one vote. The holders of a majority of the outstanding Common Stock, present in person or by proxy, will constitute a quorum for the transaction of business at the Meeting.

Each proxy which is properly signed, dated and returned to the Company in time for the Meeting, and not revoked, will be voted in accordance with instructions contained therein. If no contrary instructions are given, proxies will be voted "FOR" the election of all nominees as directors and "FOR" approval of all proposals listed on the proxy. Proxies may be revoked at any time prior to their being exercised by delivering a written notice of revocation or a later dated proxy to the Corporate Secretary of the Company. In addition, a shareholder present at the Meeting may revoke his or her proxy and vote in person.

Election of each director nominee will be by plurality vote. The affirmative vote of holders of a majority of the Company's outstanding Common Stock will be required for approval of the proposed amendment to the Company's Certificate of Incorporation (the "Certificate of Incorporation"). The Company's Corporate Secretary will appoint an inspector of election to tabulate all votes and to certify the results of all matters voted upon at the Meeting. It is the Company's policy (i) to count abstentions and broker non-votes for purposes of determining the presence of a quorum at the Meeting; (ii) to treat abstentions as shares represented at the Meeting and voting against a proposal and to disregard broker non-votes in determining results on proposals requiring a majority vote; and (iii) to consider neither abstentions nor broker non-votes in determining results of plurality votes.

The cost of soliciting proxies in the enclosed form will be borne by the Company. In addition to solicitation by mail, officers, employees or agents of the Company may solicit proxies personally, or by telephone, telegraph, facsimile transmission or other means of communication. The Company will request banks and brokers or other similar agents or fiduciaries to transmit the proxy material to the beneficial owners for their voting instructions and will reimburse them for their expenses in so doing.

All share information included herein has been adjusted to reflect the two-for-one stock split effected in December 1994, the three-for-two stock splits effected in December 1995 and in June 1996, and the two-for-one stock split effected in December 1996.

ELECTION OF DIRECTORS

Pursuant to provisions of the Company's Certificate of Incorporation and Bylaws, the Board of Directors has fixed the number of directors at seven. The Company's Certificate of Incorporation and Bylaws provide for three classes of directors serving staggered three-year terms, with each class to be as nearly equal in number as possible. The Board of Directors has nominated Breene M. Kerr and Walter C. Wilson for re-election as directors for terms expiring at the 2000 Annual Meeting of Shareholders, and in each case, until their successors are elected and qualified. Proxies cannot be voted for a greater number of persons than the number of nominees named. The nominees are presently directors of the Company whose terms expire at the Meeting. Other directors who are remaining on the Board will continue in office in accordance with their previous elections until the expiration of their terms at the 1998 or 1999 Annual Meeting of Shareholders, as the case may be.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" EACH OF THE NOMINEES FOR ELECTION TO THE BOARD OF DIRECTORS.

It is the intention of the persons named in the enclosed form of proxy to vote such proxies for the election of the two nominees. The Board of Directors expects that each nominee will be available for election but, in the event that the nominees are not so available, proxies received will be voted for substitute nominees to be designated by the Board of Directors or, in the event no such designation is made by the Board, proxies will be voted for a lesser number of nominees.

INFORMATION REGARDING NOMINEES AND DIRECTORS

The following information is furnished for each person who is nominated for re-election as a director or who is continuing to serve as a director of the Company after the Meeting.

NOMINEES FOR RE-ELECTION AS DIRECTORS FOR TERMS EXPIRING IN 2000

Mr. Self is a certified public accountant. He graduated from the University of Oklahoma in 1979 and from Northwestern University Law School in 1984.

THE BOARD OF DIRECTORS AND ITS COMMITTEES

The Board of Directors held four meetings during the Company's fiscal year ended June 30, 1997, took action by written consent two times, and held one meeting by telephone conference. The Board of Directors has standing compensation, stock option and audit committees. It does not have a standing nominating committee.

The duties of the Compensation Committee are described under "Executive Compensation -- Compensation Committee Report." Messrs. McClendon, Ward, Heizer and Whittemore serve on the Compensation Committee. The Compensation Committee held two meetings during the fiscal year ended June 30, 1997.

The Stock Option Committee, comprised of Messrs. McClendon and Ward, administers the Company's 1992 Incentive Stock Option Plan. Messrs. McClendon and Ward also serve on the Regular Option Committee of the 1994 Stock Option Plan and the Regular Stock Option Committee of the 1996 Stock Option Plan (the "Plans") with respect to non-director employee participants. Messrs. Heizer and Whittemore serve on the Plans' Special Stock Option Committee with respect to employee participants who are executive officers or directors. Each committee for the Plans held two meetings during fiscal year 1997.

The Audit Committee annually recommends the independent accountant to be appointed by the Board of Directors as auditor of the Company and its subsidiaries, and reviews the arrangements for and the results of the auditor's examination of the Company's books and records, internal accounting control procedures, and the activities and recommendations of the Company's internal auditors. It reports to the Board of Directors on Audit Committee activities and makes such investigations as it deems appropriate. Messrs. Kerr, Self and Wilson serve on the Audit Committee. The Audit Committee held two meetings during the fiscal year ended June 30, 1997.

Each director attended all of the Board and committee meetings held while serving as a director or committee member during fiscal year 1997.

(a) Represents the cost of personal benefits provided by the Company, including for fiscal 1997 personal accounting support (\$53,000 for Mr. McClendon and \$53,350 for Mr. Ward), personal vehicle (\$18,000 each) and country club membership dues (\$3,450 for Mr. McClendon and \$4,058 for Mr. Ward).

(b) No awards of restricted stock or payments under long-term incentive plans were made by the Company to any of the named executives in any period covered by the table.

(c) Represents Company matching contributions to the Chesapeake Energy Corporation Savings and Incentive Stock Bonus Plan.

(d) Other annual compensation did not exceed the lesser of \$50,000 or 10% of the executive officer's salary and bonus during the year.

STOCK OPTIONS GRANTED IN FISCAL 1997

The following table sets forth information concerning options to purchase Common Stock granted in fiscal 1997 to the executive officers named in the Summary Compensation Table. Amounts represent stock options granted under the Company's 1994 and 1996 Plans and include both incentive and non-qualified stock options. One-fourth of each option becomes exercisable on each of the first four grant date anniversaries. The

exercise price of each option represents the market price of the Common Stock on the date of grant (110% of such market price with respect to incentive stock options granted to Messrs. McClendon and Ward).

OPTION REPRICING

The following table sets forth information concerning options to purchase Common Stock held by executive officers which were repriced since the Company became a reporting company under the Exchange Act in 1993. Amounts represent new stock options granted under the Company's 1992, 1994 and 1996 Plans and include both incentive and non-qualified stock options. One fourth of each option becomes exercisable on each of the first four grant date anniversaries. The exercise price of each option represents the market price of the Common Stock on the date of grant (110% of such market price with respect to incentive stock options granted to Messrs. (a) At June 30, 1997, the closing price of the Common Stock on the New York Stock Exchange ("NYSE") was \$9.94. "In-the-money options" are stock options with respect to which the market value of the underlying shares of Common Stock exceeded the exercise price at June 30, 1997. The values shown were determined by subtracting the aggregate exercise price of such options from the aggregate market value of the underlying shares of Common Stock on June 30, 1997.

(b) Represents amounts determined by subtracting the aggregate exercise price of such options from the aggregate market value of the underlying shares of Common Stock on the exercise date.

(c) Mr. McClendon has not sold any of such shares.

PERFORMANCE GRAPH

The following graph compares the performance of the Company's Common Stock to the S&P 500 Index and to a group of peer issuers selected by the Company for the periods indicated. The graph assumes the investment of \$100 on February 5, 1993 (the day public trading in the Company's Common Stock commenced) and that all dividends, if any, were reinvested. The value of the investment at the end of each year is shown in the graph and in the table which follows:

EMPLOYMENT AGREEMENTS

The Company has employment agreements with Messrs. McClendon and Ward, each of which provides, among other things, for an annual base salary of not less than \$300,000 commencing July 1, 1997; bonuses at the discretion of the Board of Directors; eligibility for stock options; and benefits, including an automobile and aircraft allowance, club membership and personal accounting support. Each agreement has a term of three years commencing July 1, 1997, which term is automatically extended for one additional year on each June 30 unless the Company provides 30 days prior notice of non-extension.

The employment agreements between the Company and Messrs. McClendon and Ward permit them to participate in each well drilled by the Company on terms no less favorable to the Company than those agreed to by unaffiliated industry partners. Messrs. McClendon and Ward have participated in all wells drilled by the Company since its initial public offering in February 1993 and intend to continue participating in wells drilled

by the Company under the terms of their employment agreements. Thirty days prior to the beginning of each calendar quarter, Messrs. McClendon and Ward and the disinterested members of the Compensation Committee of the Board of Directors agree upon the working interest percentage in all wells spudded during that quarter to be purchased by Messrs. McClendon and Ward. That percentage may not be adjusted during such quarter except with the approval of such disinterested directors. No such adjustments have ever been requested or granted. The participation election by Messrs. McClendon or Ward may not exceed a 2.5% working interest in a well. During fiscal year 1997, each of Messrs. McClendon and Ward participated with at least a 1.25% working interest in each of the Company's wells spudded. Messrs. McClendon and Ward are obligated to pay within 150 days after billing all costs and expenses associated with the working interests they acquire under this arrangement. In addition, for each calendar year during which the employment agreements are in effect, Messrs. McClendon and Ward each agree to hold shares of the Company's Common Stock having an aggregate investment value equal to 500% of his annual base salary and bonus.

The Company has a similar employment agreement with Mr. Rowland. It provides for an annual base salary of not less than \$225,000 commencing July 1, 1997. The agreement has a term of three years beginning July 1, 1997, which term is automatically extended for one additional year on each June 30 unless the Company provides 30 days prior notice of non-extension. Mr. Rowland is permitted to participate in wells drilled by the Company in the same manner as Messrs. McClendon and Ward, except that Mr. Rowland's working interest participation in a well may not exceed 1%. Messrs. McClendon, Ward and Rowland may not participate in any well in which their combined working interests cause the Company's working interest to be reduced to less than 12.5%. Mr. Rowland agrees to hold shares of the Company's Common Stock having an aggregate investment value equal to 100% of his annual base salary and bonus during each calendar year for the term of the agreement.

Messrs. McClendon, Ward and Rowland have agreed that they will not engage in oil and gas operations individually except pursuant to the aforementioned participation in Company wells and as a result of subsequent operations on properties owned by them or their affiliates as of July 1, 1995 or acquired from the Company with respect to Messrs. McClendon and Ward and as of March 1, 1993 with respect to Mr. Rowland.

The Company also has employment agreements with Messrs. Dixon, Lester and Hood. These agreements have a term of three years from July 1, 1997, with annual base salaries of \$175,000 for Mr. Dixon, \$160,000 for Mr. Lester and \$155,000 for Mr. Hood for the term of their agreements. The agreements require each of them to acquire and continue to hold shares of the Company's Common Stock having an annual aggregate investment value equal to 15% for Messrs. Dixon and Lester and 10% for Mr. Hood of the annual base salary and bonus compensation paid to them under their respective agreements.

The Company may terminate any of the employment agreements with its executive officers at any time without cause; however, upon such termination Messrs. McClendon, Ward and Rowland are entitled to continue to receive salary and benefits for the balance of the contract term. Messrs. Dixon, Hood and Lester are entitled to 90 days compensation and benefits. Each of the employment agreements for Messrs. McClendon, Ward and Rowland further states that if, during the term of the agreement, there is a change of control and within one year (i) the agreement expires and is not extended; (ii) the executive officer is terminated other than for cause, death or incapacity; or (iii) the executive resigns as a result of a reassignment of duties inconsistent with his position or a reduction in his compensation, then the executive officer will be entitled to a severance payment in an amount equal to 36 months of base salary compensation. Change of control is defined in these agreements to include (x) an event which results in a person acquiring beneficial ownership of securities having 35% or more of the voting power of the Company's outstanding voting securities, or (y) within two years of a tender offer or exchange offer for the voting stock of the Company or as a result of a merger, consolidation, sale of assets or contested election, a majority of the members of the Company's Board of Directors is replaced by directors who were not nominated and approved by the Board of Directors.

DIRECTORS' COMPENSATION

During fiscal year 1997, each director who was not an officer of the Company received \$2,500 for each regular meeting of the Board attended, up to a maximum of \$10,000 during the year. Beginning in fiscal 1998, directors who are not officers of the Company will receive an annual retainer of \$10,000, payable quarterly, and \$1,250 for each meeting of the Board attended. Directors are reimbursed for travel and other expenses. Officers who also serve as directors do not receive fees for serving as directors.

During fiscal year 1997, each director who was not an officer of the Company was granted an option for 20,000 shares (10,000 shares pre-split) at an exercise price of \$30.63 (\$61.25 pre-split) per share under the Company's 1992 Nonstatutory Stock Option Plan (the "1992 NSO Plan"). During fiscal year 1998, each director who is not an officer will receive ten-year non-qualified options under the 1992 NSO Plan to purchase 15,000 shares of Common Stock, options for 3,750 shares granted on the first day of each quarter, at an exercise price equal to the market price on the date of grant.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

During fiscal year, 1997, the Compensation Committee was composed of Aubrey K. McClendon, Tom L. Ward, E.F. Heizer, Jr. and Frederick B. Whittemore. Mr. McClendon is Chairman of the Board and Chief Executive Officer of the Company. Mr. Ward is the Company's President and Chief Operating Officer.

Messrs. McClendon and Ward administer the Company's 1992 stock options plans. The grant of new options under the 1992 Incentive Stock Option Plan (the "1992 ISO Plan") was terminated in December 1994. The only options issued under the 1992 NSO Plan during fiscal 1997 were those to the Company's non-employee directors pursuant to an annual formula award provision. Messrs. McClendon and Ward also administer the 1994 and 1996 Plans with respect to employees who are not directors or executive officers. Messrs. Heizer and Whittemore administer the 1994 and 1996 Plans with respect to executive officers or employee participants who are directors.

Messrs. McClendon and Ward participate as working interest owners in the Company's oil and gas wells pursuant to the terms of their employment agreements with the Company. See "Employment Agreements." Accounts receivable from Messrs. McClendon and Ward are generated by joint interest billings relating to such participation and as a result of miscellaneous expenses paid on their behalf by the Company. The Company has extended certain registration rights to Messrs. McClendon and Ward.

COMPENSATION COMMITTEE REPORT

The Compensation Committee of the Board of Directors is responsible for establishing the Company's compensation policies and monitoring the implementation of the Company's compensation system. The Committee's specific duties include establishing and periodically reviewing the Company's compensation policies, overseeing the compensation of the Company's executive officers, coordinating with the Company's stock option committees in the award of stock options and annually reviewing the Company's benefit plans. The compensation of the Company's employees consists of several components, each of which is determined using different methods and objectives. The components include: (a) base salary; (b) cash bonuses; (c) stock options; and (d) medical insurance, life insurance and other non-cash benefits. The Committee has determined not to grant economic interests in the Company's oil and gas assets as a form of compensation.

EXECUTIVE OFFICER COMPENSATION. At the time of the Company's initial public offering, the Company's executive officers consisted of Messrs. McClendon, Ward and Rowland. Their compensation was developed based on the historical compensation paid by the Company to Messrs. McClendon and Ward, advice from a number of the Company's professional advisors and negotiation of employment agreements with such individuals. Because Messrs. McClendon and Ward had historically received only nominal compensation from the Company, the executive officers' compensation was substantially below the compensation paid by the Company's competitors. The Committee believes the executive officers' compensation should be competitive with the Company's competitive group and plans to increase the executive officers' compensation to

comparable levels. The individual components of the executive officers' compensation and the factors considered in connection with each component are as follows:

Base Salary. The executive officers' base salary is reviewed annually and is set for each individual. Although the Committee believes that performance-based pay elements should be a key element in the executive officers' compensation package, the Company must also maintain base salary levels commensurate with the Company's competitive group. Thus, the Committee believes the base salary of the executive officers should be increased to the mean of the Company's peer group over time. The actual amount of each executive's base salary will reflect and be adjusted on a subjective basis for such factors as leadership, commitment, attitude, motivational effect, level of responsibility, prior experience and extraordinary contributions to the Company.

Cash Bonuses. The Committee believes that cash bonuses should be paid to the executive officers based on a subjective evaluation of the performance of the Company and the individual. The amount of cash bonuses was based on a percentage of the employee's base compensation ranging from 17% to 48% in fiscal 1997. Performance measurements for the Company as a whole include growth in oil and gas reserves, production, and net income. Performance measurements for each individual or business segment are dependent on the individual circumstances. It is anticipated that the bonus percentage will increase as the management level and responsibility level of the individual increases. The Committee does not believe bonuses can be awarded based on some predetermined formula so the amount of each executive officer's cash bonus is based on a subjective evaluation of many factors such as performance, leadership, commitment, attitude, motivational effect, level of responsibility, prior experience and extraordinary contributions to the Company.

Stock Options. The other performance-based compensation provided by the Company is the issuance of stock options under existing and future stock option plans. Currently, stock options are granted to a broad range of employees based on a subjective determination utilizing the factors for base compensation and cash bonus awards. Because all stock options are issued at the market price of the Company's Common Stock on the date of issuance and options granted in fiscal 1997 vest at the rate of 25% per year over a period of four years, the options provide strong incentives for superior long-term performance and continued retention of the executives by the Company. The Committee coordinates closely with the Company's stock option committees in issuing the stock options.

1997 Performance. The Company's performance for fiscal year 1997 was significantly below the expectations of management. Because of difficulties in the Company's Louisiana drilling program, oil and gas reserves did not increase. However, the Company's executive compensation is still significantly below that of the oil and gas companies that compete with the Company for employees and projects. Thus, despite the Compensation Committee's long term objective of bringing the Company's executive salary and bonus compensation to a level competitive with the oil and gas industry, based on the Company's performance during 1997, base compensation and bonuses paid to executives were not increased as much as might have otherwise been the case. In determining the compensation levels during 1997 the Compensation Committee believed it had to balance the need to retain employees possessing expertise in short supply in the oil and gas industry while maintaining a relationship between compensation and the Company's performance. In many cases the Company expended significant amounts providing training to its employees.

Repricing of Stock Options. A substantial component of the Company's compensation has historically been paid in the form of stock options. As a result of the decline of the Company's common stock since January of 1997 management advised that a number of employees were vulnerable to hiring by the Company's competitors, especially given the increase in the activity level of the oil and gas industry and the fact that a significant portion of the industry's historical employee base has retired or entered other careers. Based on the foregoing it was determined that it was in the best interest of the Company to reprice the stock options issued to the employees during calendar 1996. The stock option repricing was approved or ratified by the entire board other than those board members who are employees and, therefore, participated in the stock option repricing. The options issued to non-employee directors were not repriced during the fiscal year.

Suggested Stock Ownership. The Committee believes it is appropriate for each executive officer to maintain direct ownership in the Company's Common Stock, as provided in the individual employment

agreements. The Committee believes that compliance with such stock ownership targets is necessary to ensure that the interests of the executive officers and shareholders are the same. Failure to meet such objectives will adversely and materially affect the performance-based compensation for each executive officer who fails to meet the stock ownership targets. It is the Committee's belief that a large stock ownership position should not negatively affect an executive officers' compensation or stock option awards. Except for stock ownership targets discussed above, the Committee does not consider the number of options or stock held in determining compensation.

Discretion. Individual circumstances and performance can substantially affect the amount of compensation or benefits to be received by each executive officer. In general, determining the salary level necessary to retain valuable employees in a tight market and measuring the efforts or impact of an individual employee and converting such concepts on an objective basis to a quantifiable increase in compensation is not possible. However, given the importance of individual effort to the success of the Company, the lack of objective measurement standards should not prohibit performance rewards. Accordingly, from time to time, the Committee may provide extraordinary compensation to an individual employee or group of employees based on outstanding performance.

Policy on Deductibility of Compensation. Section 162(m) of the Internal Revenue Code limits the tax deduction to \$1 million for compensation paid by a publicly held company to its chief executive officer and the Company's four other most highly compensated executive officers, unless certain requirements are met. The Committee presently intends that all compensation paid to executive officers will meet the requirements for deductibility under Section 162(m). However, the Committee may award compensation which is not deductible under Section 162(m) if it believes that such awards would be in the best interest of the Company or its shareholders.

COMPENSATION OF CHIEF EXECUTIVE OFFICER AND CHIEF OPERATING OFFICER. Based on historical operations of the Company, the Chief Executive Officer and Chief Operating Officer have identical positions with managerial control over different areas of the Company. Accordingly, the Chief Executive Officer and Chief Operating Officer have been historically compensated on an equal basis and the Committee anticipates that such practice will continue in the future. In each case, the compensation for each of the officers was determined in the same manner as the compensation for other executive officers of the Company. The base salary and bonus compensation paid to each of the officers is substantially below the mean of the competitive group considered by the Compensation Committee. It is anticipated that additional material raises will be provided in the future. The cash bonuses and options granted to Messrs. McClendon and Ward were based on the subjective evaluation of the Company's overall performance, the perceived contributions of Messrs. McClendon and Ward to that performance and the compensation paid to other chief executive officers of the Company's competitive group and the compensation paid to the Company's other executive officers.

CERTAIN TRANSACTIONS

Legal Counsel. Shannon T. Self, a director of the Company, is a shareholder in the law firm of Self, Giddens & Lees, Inc., which provides legal services to the Company. During fiscal 1997, the firm billed the Company approximately \$207,000 for such legal services.

Oil and Gas Operations. Prior to 1989, Messrs. McClendon and Ward and their affiliates, as independent oil producers, acquired various leasehold and working interests. In 1989, Chesapeake Operating, Inc. ("COI"), a wholly-owned subsidiary of the Company, was formed to drill and operate wells in which Messrs. McClendon and Ward or their affiliates owned working interests. COI entered into joint operating

agreements with Messrs. McClendon and Ward and other working interest owners and billed each for their respective shares of expenses and fees.

COI continues to operate wells in which directors, executive officers and related parties own working interests. In addition, directors, executive officers and related parties have acquired working interests directly and indirectly from the Company and participated in wells drilled by COI on terms no less favorable to the Company than available to unrelated parties. Other than interests owned prior to the Company's initial public offering in 1993, the Company's directors who are not officers have not acquired from the Company interests in any new wells drilled by the Company since their election as directors and have no present intention to acquire interests in any new wells of the Company. The table below presents information about drilling, completion, equipping and operating costs billed to the persons named from July 1, 1996 to June 30, 1997, the largest amount owed by them during the period and the balance owed at July 1, 1996 and June 30, 1997. No interest is charged on amounts owing for such costs, unless such costs are not paid in a timely manner. The amounts for all other directors, executive officers and related parties were insignificant.

Miscellaneous. From time to time, the Company pays various expenses incurred on behalf of Messrs. McClendon and Ward and their affiliates, creating accounts receivable of the Company. During fiscal 1997 additions to accounts receivable (excluding joint interest billings, which are described above) from Messrs. McClendon and Ward and their affiliates were insignificant.

PROPOSAL TO AMEND CERTIFICATE OF INCORPORATION
TO INCREASE AUTHORIZED CAPITAL STOCK

The Board of Directors recommends that the shareholders authorize an amendment to the Company's Certificate of Incorporation to increase the number of authorized shares of Common Stock from 100,000,000 to 250,000,000 shares, par value \$.01 per share.

The current authorized capital stock of the Company is 100,000,000 shares of Common Stock and 10,000,000 shares of Preferred Stock, par value \$.01 per share.

As of the Record Date, there were 70,386,127 shares of Common Stock issued and outstanding and 13,115,153 shares of Common Stock reserved for issuance upon the exercise of options under the Company's stock option plans. Thus, there were 16,498,727 authorized shares of Common Stock unissued and not reserved for issuance as of the Record Date. The Company has entered into acquisition agreements which could result in the issuance of up to 10,000,000 of such shares in connection with the closing of pending acquisitions. None of the authorized shares of the Company's Preferred Stock were outstanding. Neither the Common Stock nor the Preferred Stock provides preemptive rights to purchase newly issued shares.

The proposed increase in the authorized Common Stock is recommended by the Board of Directors first to assure that an adequate supply is available for general corporate needs, such as future stock dividends, stock splits or issuance under the Company's incentive savings plan and other employee benefit plans. The additional authorized shares of Common Stock could also be used for raising capital for the operations of the Company or financing future acquisitions without the expense and delay incidental to obtaining shareholder approval of an amendment to the Certificate of Incorporation increasing the number of authorized shares at the time of such action.

There are currently no plans or arrangements relating to the issuance of any of the additional shares of Common Stock proposed to be authorized. Shares available for issuance may be issued by the Board of

Directors without further action by the shareholders, unless required by Oklahoma law or by the rules of any stock exchange on which the Company's securities may then be listed.

The proposed increase in the Company's authorized capital stock could enable the Board of Directors to render more difficult or discourage an attempt by another person or entity to obtain control of the Company. Such additional shares could be issued by the Board of Directors in a public or a private sale, merger or similar transactions, increasing the number of outstanding shares and thereby diluting the equity interest and voting power of a party attempting to obtain control of the Company. The increase in authorized shares of Common Stock is not being proposed in response to any known effort to acquire control of the Company.

If the proposed amendment to the Certificate of Incorporation is approved by shareholders, it is expected that the amendment will be filed with the Secretary of State of the State of Oklahoma on December 12, 1997, and the first sentence of Article IV of the Certificate of Incorporation will be amended as follows:

"The total number of shares of capital stock which the Corporation shall have authority to issue is Two Hundred Sixty Million (260,000,000) shares, consisting of Ten Million (10,000,000) shares of Preferred Stock, par value \$0.01 per share, and Two Hundred Fifty Million (250,000,000) shares of Common Stock, par value \$0.01 per share."

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE PROPOSED AMENDMENT TO THE COMPANY'S CERTIFICATE OF INCORPORATION. The affirmative vote of the holders of a majority of the outstanding shares of Common Stock will be required for adoption of the amendment.

INDEPENDENT ACCOUNTANTS

Coopers & Lybrand L.L.P. served as the Company's independent accountants for the year ended June 30, 1997 and has been retained for fiscal 1998. Representatives of Coopers & Lybrand L.L.P. are expected to attend the Meeting. They will have an opportunity to make a statement if they desire to do so, and will be available to respond to shareholder questions.

SHAREHOLDER PROPOSALS

At the annual meeting each year, the Board of Directors submits to shareholders its nominees for election as directors and may submit other matters to the shareholders for action. Shareholders of the Company also may submit proposals for inclusion in proxy material. These proposals must meet the shareholder eligibility and other requirements of the Securities and Exchange Commission. In order to be included in proxy material for the Company's 1998 annual meeting, presently scheduled to be held June 12, 1998, a shareholder's proposal must be received not later than January 13, 1998 by the Company at 6100 North Western Avenue, Oklahoma City, Oklahoma 73118, Attention: Ms. Janice Dobbs, Corporate Secretary.

In addition, the Bylaws provide that in order for business to be brought before a shareholders' meeting, a shareholder must deliver written notice to the Company not less than 60 nor more than 90 days prior to the date of the meeting. The notice must state the shareholder's name, address and number and class of shares beneficially owned by the shareholder, and briefly describe the business to be brought before the meeting, the reasons for conducting such business at the meeting and any material interest of the shareholder in the proposal.

The Bylaws also provide that if a shareholder intends to nominate a candidate for election as a director, the shareholder must deliver written notice of his or her intention to the Company. The notice must be delivered not less than 60 nor more than 90 days before the date of a meeting of shareholders. The notice must set forth the name and address and number and class of shares beneficially owned by the shareholder and the nominee for election as a director, the age of the nominee, the nominee's business address and experience during the past five years, any other directorships held by the nominee, the nominee's involvement in certain legal proceedings during the past five years and such other information concerning the nominee as would be required to be included in a proxy statement soliciting proxies for the election of the nominee. In addition, the notice must include the consent of the nominee to serve as a director of the Company if elected.

The Bylaws further provide that, notwithstanding the foregoing notice requirements, in the event that less than 70 days' notice or prior public disclosure of the date of the meeting is given or made to shareholders, notice of a shareholder proposal or nominee to be timely must be received no later than the tenth day following the day on which notice of the date of the meeting was mailed or public disclosure thereof was made, whichever occurred first.

OTHER MATTERS

The Company's management does not know of any matters to be presented at the Meeting other than those set forth in the Notice of Annual Meeting of Shareholders. However, if any other matters properly come before the Meeting, the persons named in the enclosed proxy intend to vote the shares to which the proxy relates on such matters in accordance with their best judgment unless otherwise specified in the proxy.
